Brief History of BMS Institutions

Late Sri B. M. Sreenivasaiah

In the history of Karnataka, the name of Late Businayana Mukundadas Sreenivasaiah (BMS) occupies a prominent place in the field of Philanthropy. The Maharaja of Mysore honoured him with the title of Raja Karya Prasaktha in 1946. He started the B.M.S. College of Engineering in the same year. He had foreseen the urgent need for high quality technical education in India, even before independence. The ideals for which Sri. B. M. Sreenivasaiah stood, continued to inspire the inheritors of his legacy.

Late Sri B. S. Narayan

Sri. B. S. Narayan, the dynamic and enterprising son of the founder, took over the reins of the college after the demise of "Sri. B. M. Sreenivasaiah". Under his able guidance the institution grew from strength-to-strength. He established BMS College of Law in 1963, BMS College for Women in 1964 and he was also instrumental in initiating international collaborative programmes such as training foreign students under and cross cultural programs with Melton Foundation, USA under International Co-operation Division (ICD).

|| Founder's Mission ||

Promoting prosperity
of mankind by augmenting
human resource capital
through quality technical
education and training.

COUNCIL OF TRUSTEES

Dr. B.S. Ragini Narayan
Donor Trustee & Member Secretary,
and Chairperson, BMSET

Dr. P. Dayananda Pai
Life Trustee, BMSET

Sri. Aviram Sharma
Trustee, BMSET
Chairman, BMSCCM,
BMSCL and BMSIT&M

BMS EDUCATIONAL TRUST (BMSET)

BMS group of Institutions are managed by B. M. Sreenivasaiah Educational Trust (BMSET) comprising five trustee members constituting the Council of Trustees. The Chairman of BMS Educational Trust is Dr. B. S. Ragini Narayan, she is also the Donor Trustee and Member Secretary. She is the Chairperson of BMS College for Women and BMS Evening College of Arts and Commerce. Dr. P. Dayananda Pai is Life Trustee at BMS Educational Trust. He is Chairman for BMS College of Engineering and BMS College of Architecture. Sri Aviram Sharma, Trustee BMSET is the Chairman of BMS College of Commerce and Management, BMS College of Law and BMS Institute of Technology and Management. Additionally, one Trustee Member is nominated by the Government of Karnataka.

To advance the cause of education, BMS Educational Trust started a number of institutions which are providing quality education to student's community. The BMS Educational trust runs the following highly reputed educational Institutions imparting quality education:

- BMS College of Engineering (BMSCE) – 1946
- BMS College of Law (BMSCL) – 1963
- BMS Degree College for Women (BMSCW) -1964
- BMS PU College for Women (BMSPUC) – 1964
- BMS Institute of Technology and Management (BMSIT & M) – 2002
- BMS School of Architecture (BMSSA) – 2010
- BMS Centre for Executive Education (BMSCEEDL) – 2013
- BMS Evening College of Arts and Commerce (BMSECAC) – 2013
- BMS College of Architecture (BMSCA) – 2016
- BMS College of Commerce and Management (BMSCCM) – 2018
- BMS Academy for Professional Courses – 2023

The BMS Institutions enable the students to excel in their chosen fields in addition to inculcating moral and ethical values and plays an important role in instilling confidence in them to face new challenges. Currently more than 20,000 students are pursuing their higher education in Science, Engineering, Architecture, Commerce, Management, Arts and Law in different BMS institutions. An Alumni of over 1 lakh has enriched the communities the world over.

About BMS College of Commerce & Management

B.M.S. College of Commerce & Management (BMSCCM) is run under the aegis of BMS Educational Trust, Bengaluru. The College is affiliated to Bengaluru City University and approved by Govt. of Karnataka & AICTE. The College offers programs as per the prescribed syllabus of the university. BMSCCM is centrally located in the verdant green environs of V.V Puram, Basavanagudi, Bengaluru. The college offers under graduate courses in Commerce (B.com), Management (BBA), Computer Applications (BCA) and Executive Management Program (Weekend PGDM) for working professionals. Modern Air-conditioned ICT enabled classrooms, State of art computer labs, sports, administrative block, acoustically modelled seminar hall, library and information centre in the building exemplify an ideal atmosphere for an effective teaching process with student-centric approach. World class faculty members provide a strong academic background to the students. The Corporate Communication department of the College offers compulsory Career Enhancement (Add on) courses over and above university curriculum which makes student industry ready and employable. The College offers Internship and Placements to 100% of the eligible students. The College has signed an MOU with Computer Society of India (CSI) for developing young entrepreneurs from the College incubation cell for making India a developed nation. The Academic and administrative affairs of the college is managed by Board of Governors (BOG) appointed by BMS Educational Trust.

Vision

To be an institution of excellence in commerce and management by providing high quality education to inspire and transform young lives in the global community.

Mission

1. To Pioneer in education by contributing to human knowledge which enables the students to have a strong sense of responsibility towards the society and the community.
2. Empower and guide students with appropriate training and techniques to shape them for a competitive tomorrow.
3. Engage and invest in entrepreneurial activities towards flexibility and innovation.
4. Enhance diversified learning opportunities for students and faculty.

Core Values: 4 E's

Education

Disseminating quality education to students helps in acquisition of skills, knowledge, values and beliefs which makes a student self-independent and helps in rational thinking. It equips an individual to be a good social being with ethical values which would help in making them to be adaptive to cross-cultural environment.

Excellence

Striving for excellence is an integral pursuit of every faculty who would be involved in educating the students wherein they would not only help in making them successful in the subject but also equipping students to attain excellence in their future endeavours, as the College believes that excellence cannot be attained only through subject learning, it has to do with cognition and learning outcomes as well and it's not a destination but a journey one undertakes.

Entrepreneurship

The education which is meticulously imparted to the students through various subjects and discussions would bring out the change agent in the students which is very essential in today's dynamic society, wherein, they would be accountable to what they do and be able to face challenges and be risk borne. They would be confident enough towards the social, economic factors of the society and thus bring in an impact to the community development on the whole.

Empowerment

The College and the faculty helps students to seek relevance and importance on learning tasks and methodologies by preparing every student for success by bridging the gap between high school and young adulthood and always make students to have ready access to information which would enhance the student's ability by making them more empowered by accountability.

FACULTY MEMBERS

Faculty members at the college are a heady mix of youth & experience. Most of the faculties at the college regularly contribute to various national & international journals & conferences. Some faculty members regularly contribute to print media like Newspaper, Magazines & Journals. The student – faculty relationship at BMSCCM reaches a new pinnacle beyond the classroom, when they get together in organising key events at the institute.

BACHELOR OF COMMERCE (B-COM)

Introduction

The Bachelor of Commerce is a cutting-edge program designed to provide students with a solid foundation in key areas such as Accounting, Taxation, Auditing, Finance, Business Analytics and Retailing. This program empowers students to shape their futures as wealth creators and leaders in the corporate world. The curriculum emphasizes the development of professionals with strong ethical standards and integrity. It also encourages students to embrace technology and digital transformation in line with the expectations of scholars and policymakers. This course fosters both conceptual and practical knowledge, preparing students to effectively manage businesses and organizations while equipping them to navigate and overcome the challenges of the future.

B.COM @ BMSCCM

The B.Com program at BMSCCM is designed to foster the holistic development of students, enabling them to make meaningful contributions to society. The institution provides an enriching academic environment complemented by co-curricular and sports activities, empowering students to excel in a dynamic and engaging learning atmosphere. The teaching methodology integrates classroom lectures, projects, presentations, and case studies as core components. Additionally, students enhance their career readiness by pursuing industry-focused add-on courses such as Executive Communication, Tally ERP, Advanced Excel, Business Data Analytics, SAP, and more.

Scope of B. Com

A Bachelor's degree in Commerce offers excellent prospects for both further education and career opportunities. It provides a strong foundation for a wide range of professions. Graduates can embark on successful careers in local, national, and international business sectors across various industries, including Financial and Insurance Services, Energy and Resources, Information Management, Marketing, Communications, and more.

Syllabus

As prescribed by Bengaluru City University
<https://www.bcu.ac.in/documents/Syllabus-all/UG%20Syllabus%20as%20per%20SEP%20effective%20from%202024-45/Commerce/B.Com%20Regular%20SEP.pdf>

Eligibility for admission

Candidates who have completed two years, pre-university courses in Karnataka state or 10+2 years of education in Karnataka and other state equivalent are eligible for admissions into the program. Candidates who have completed diploma in commercial practises are eligible for lateral entry into third semester B-Com.

Internship

Every student enrolled for this program will have to take up Internship in the 3rd Year during the course.

Evaluation Process

Total marks for each course shall be based on continuous assessments and semester end examinations. As per the decision taken at the Karnataka State Higher Education Council, it is necessary to have uniform pattern of 80:20 for Semester End theory examinations and AI respectively

Professional Courses with BCOM

Students have an option to choose any of the below mentioned courses who are pursuing B.COM @ BMSCCM

- a) Chartered Accountancy (CA)
- b) Company Secretary (CS)
- c) Association of Chartered Certified Accountants (ACCA)
- d) Certified Management Accountant (CMA)

Duration of the Programme

The B.Com (Regular) program is a three-year, six-semester course. Students must complete the degree within three years from the date of admission.

Medium of Instruction

The medium of instruction is English, though candidates may choose to write exams in Kannada.

Classroom Strength:

Each section will have a maximum of 60 students, or as per University regulations.

Attendance Requirement:

A minimum of 75% attendance in aggregate across all courses in each semester is required to be eligible for University examinations. Students failing to meet this attendance requirement will not be allowed to take the exams.

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

Introduction

With the rapid expansion of global business and the diminishing of geographical boundaries, emerging opportunities worldwide have reshaped business practices and increased the demand for skilled management professionals. This course is specifically designed to help students gain a comprehensive understanding of business organizations and their daily operations. It focuses on in-depth knowledge in key areas such as Finance, Accounting, Marketing, Human Resource Management, and strategy formulation. As a result, this course equips students to recognize and seize new career opportunities driven by evolving industry trends and societal needs.

BBA @ BMSCCM

The Bachelor in Business Administration program, affiliated with Bengaluru City University, follows the University's SEP syllabus, offering students excellent opportunities for both professional careers and advanced studies in Management. The BBA program aims to develop ethical and corporate ready professionals with interdisciplinary knowledge.

The institution offers a robust academic environment, enhanced by a range of curricular, extracurricular and sports activities, fostering an engaging learning experience. Our teaching methodologies incorporate a blend of lectures, projects, presentations, and case studies, ensuring students develop both theoretical knowledge and practical skills essential for success in their chosen fields.

Scope of BBA

The BBA program provides students with a robust understanding through a plethora of subjects that has been curated by the Bengaluru City University through blending academic theory with practical application. BBA curriculum is designed to nurture well-rounded individuals, empowering them to excel in dynamic business environments and take on leadership roles in their future careers. The programs are driven by the increasing demand for skilled business professionals across industries. With a focus on entrepreneurship, versatility, and global business practices, BBA graduates are well-equipped for diverse career paths. Programs are integrating technology and practical learning to enhance student skills and real-world experience. This growth reflects the dynamic nature of the business world and the evolving needs of the marketplace. The program integrates subjects like Principles of Management, Market Analysis, and Financial Accounting to help BBA students develop strong business foundations, enhancing decision-making and financial skills. Human Resource Management and Organizational Behaviour foster leadership and team dynamics, while Entrepreneurship encourages innovation and risk-taking. Courses in Statistics and

Cost Accounting sharpen analytical abilities, and Business Communication Skills improve articulation, preparing students for successful careers and personal growth in the business world.

The BBA program places a strong emphasis on developing key professional skills, including effective communication, leadership, and critical thinking. It focuses on holistic personality development.

Syllabus

As prescribed by Bengaluru City University
<https://www.bcu.ac.in/documents/Syllabus-all/UG%20Syllabus%20as%20per%20SEP%20effective%20from%202024-45/Commerce/BBA%20-%20Regular%20UG%20Syllabus%20SEP.pdf>

Internship

Internships in the 3rd Year provide students with valuable practical experience, bridging the gap between classroom learning and real-world application. These short-term internships enhance employability by fostering key skills, expanding professional networks, and helping students refine their career goals. Furthermore, they improve job prospects and facilitate a smoother transition from academia to the professional world. The internship is assessed through a detailed report submitted by each student, followed by a viva voce conducted by an external faculty member, ensuring a comprehensive evaluation of their learning and performance.

Evaluation Process

Total marks for each course shall be based on continuous assessments and semester end examinations. As per the decision taken at the Karnataka State Higher Education Council, it is necessary to have uniform pattern of 80:20 for Semester End theory examination and AI respectively

CAREER ENHANCEMENT COURSES

3. SKILL ENTREPRENEURSHIP FOR YOUTH BOSCH INDUSTRY – ACADEMIA

COLLABORATION PROGRAM

BMS College of Commerce and Management has collaborated with BOSCH – an Industry Academic Collaboration Initiative. It is a great opportunity to work with BOSCH on skill development, which aligns with the New Educational Policy 2020. The program "Train the Trainer" for courses on Skill Entrepreneurship for Youth, Future Human Competencies, the Making of a Developed Country (Soft Skills & Right Attitudes), and Social Responsibility will be held. The selected students will have an opportunity to work on a skill development project with BOSCH. As part of the CSR program, BMS College of Commerce and Management will be providing free education to an underprivileged student.

4. HANDS ON TRAINING ON ACCOUNTING EXCEL

It is a specialized skill enhancement course designed to equip students with practical knowledge and proficiency in Excel for accounting purposes. The course covers essential tools and techniques such as creating financial statements, managing budgets, performing reconciliations, and utilizing advanced formulas for data analysis. Through interactive sessions and real-world scenarios, students gain the confidence to apply their skills effectively in professional accounting roles.

5. ASSOCIATION OF CHARTERED CERTIFIED ACCOUNTANTS (ACCA)

BMS College of Commerce and Management, in association with ISDC - an education and skill development company with expertise in professional and vocational education, is offering the ACCA (Association of Chartered Certified Accountants) program, which is a global body for professional accountants. B.Com and BBA (Accounts or Finance specialization) are accredited by ACCA to avail paper exemptions towards the ACCA professional qualification. Students who register for the program avail 6 paper exemptions. Students are required to write 3 papers externally to obtain an Advanced Diploma in Accounting and Business from ACCA upon successful completion of these 3 external exams conducted by ACCA.

6. CERTIFIED MANAGEMENT ACCOUNTANT (CMA) PROGRAM

BMS College of Commerce and Management, in association with ISDC - an education and skill development company with expertise in professional and vocational education, is offering the US CMA (Certified Management Accountant) course to B.Com and BBA students. The US CMA is awarded by IMA (Institute of Management Accountants), USA. IMA is the global professional body for management accountants. The US CMA course is globally recognized and is an advanced-level qualification.

BMSCCM CAMPUS PLACEMENT

At our institution, we are committed to nurturing ethical and innovative leaders equipped to thrive in today's dynamic and globally competitive environment. By bridging theory with practical application, we empower students to excel in leadership roles, driving the growth and success of organizations worldwide.

Our Corporate Communication Department fosters strong connections with leading firms and companies across Bengaluru and India. This proactive approach ensures a wide array of placement opportunities spanning diverse industries, providing our students with a platform to launch successful and fulfilling careers. Additionally, we partner with top-tier companies that offer the best roles, core opportunities and competitive remuneration packages, ensuring our students step into positions that align with their skills and career aspirations.

PLACEMENT PROCESS:

To facilitate campus placements, the Corporate Communication Department establishes contact with companies to understand their requirements. Initially, the company's HR team conducts a survey to assess potential and determine the common pool center for campus recruitment.

Once the decision to hire is made, companies request resumes from eligible final-year students based on their specific criteria. After reviewing the profiles, a mutually agreed-upon date is finalized for campus recruitment, which takes place at one of the consortium colleges in consultation with all stakeholders.

Campus recruitment follows a structured sequence adopted by most companies, which includes the following stages:

Pre-Placement Talk: An introductory session where companies provide insights into their organization, roles offered, and expectations.

Written Test/Aptitude Test: A preliminary evaluation to assess candidates' technical knowledge, problem-solving skills and aptitude.

Group Discussion: An interactive session to evaluate communication skills, teamwork, and critical thinking.

Interview – Technical and HR: A comprehensive assessment through technical and human resources interviews to gauge subject knowledge, technical skills, and cultural fit.

Eligibility and Registration for Placement:

A. Campus Placement is meant for the final year students. All the students seeking placement should register for the campus placements with the Corporate Communication Department. Only registered students are eligible to participate in the placement activities.

B. Student can participate in the placement process of a company subject to the following conditions:

- The Corporate Communication Department has confirmed his/her registration.
- He/she meets the requirements/eligibility criteria specified as follows:
- By the Company
- By the BMSCCM placement policy.
- Secure an average of 60% marks
- Has to obtain 60% marks in Executive Communication & presentation
- The student should have attended 80% of the classes.

C. All the students are expected to fulfil the attendance criteria of all the Career Enhancement courses/ Placement Training / Skill Enhancement courses conducted from first semester onwards. Those students who do not fulfil these criteria will not be allowed to avail special privileges during placements, such as the privilege of availing a second offer.

REGISTRATION FOR PLACEMENTS

• Students must register with the Corporate Communication Department to participate in placement drives.

Students are responsible for regularly checking announcements, notices and updated information displayed on the notice board. Additionally, they must check their emails on their respective college-provided email IDs for all the important updates and communications.

• Students are advised to review the company's website thoroughly and register only if genuinely interested.

• Interested students must complete their registration by the deadline specified by the Corporate Communication Department. Late registrations will not be entertained.

PLACEMENT PROCESS & DISCIPLINE:

- Students must adhere to the announced schedule and be punctual for all placement processes.
- Attendance at the Pre-Placement Training (PPT) is mandatory upon registration and only those attending will be eligible to proceed with the placement process.

Students who wish to withdraw after the PPT may do so by providing a valid reason, clearly explaining how the information shared during the session influenced their decision.

PLACEMENTS – CORPORATE COMMUNICATION DEPARTMENT

Once students proceed to the next stage of a company's selection process after the PPT, they cannot withdraw midway. Quitting at this stage will result in disqualification from participating in any future placement events.

Late arrivals for Aptitude Tests, Group Discussions (GD), or Interviews may be denied the opportunity to participate in the selection process.

Any misbehavior or complaints reported by company officials will be treated with utmost seriousness. If substantiated, the student will be barred from all future campus placements.

Students are required to wear formal attire during all placement activities. The institution reserves the right to deny participation in the selection process if a student's appearance or attire is deemed inappropriate.

Students must carry their identity cards during all Placement activities. Failing to do so may result in disqualification from the process.

JOB OFFERS:

- Once a student is selected/ made an offer he/she is out of further campus placement drives.
- If a student has been recruited by a company, the concerned student will not be allowed to appear for any other campus placements arranged by the college.
- If a student receives more than one offer owing to delay in the announcements of results by the companies, the student is bound to accept the job offer whose results are declared earlier.
- If results are declared on the same day, the student may choose from the offers in hand and inform placement office his/her choice, within 24 hours of announcements of results.
- Offers received from the companies must be collected as per the timings in circular/notice. The responsibility of going through the offer letter and taking actions therein such as submission of documents lies entirely with the student.

In case offers are received directly by the student from the company, the same must be intimated to the placement office within three days of notification

In all matters decision of the Principal is final.

OTHER FACILITIES

NCC

National Cadets Corps (NCC) wing at BMSCCM, is an integral part of the world's largest uniformed youth organization. In our close-knit community, we emphasize the values of unity and discipline, fostering a sense of belonging for every individual who joins our NCC family. At BMSCCM NCC wing, cadets benefit from special entry options into the defense forces, with direct eligibility for the esteemed SSB interview. Beyond military pathways, our cadets explore a multitude of career opportunities, gaining a holistic perspective on their future endeavors. Our program is designed not only to impart military training but also to instill core values such as team spirit, unity, selflessness, honesty, and hard work.

NSS

The National Service Scheme (NSS) wing at BMSCCM stands as a beacon of the institution's commitment to social responsibility and community service. The primary objective is to empower young students to identify and address the needs and issues of the community actively. At BMSCCM-NSS, our mission extends beyond academic pursuits, aiming to instill a sense of social welfare and civic responsibility in our student community. The NSS unit at BMSCCM is actively involved in diverse community-centric activities such as plantation drives, special camps, International Yoga Day events, voter awareness campaigns, blood donation camps, and youth awareness programs.

YOUTH RED CROSS

"The youth of today is the driving force of tomorrow". We must mold the youth to become responsible citizens of the country. The Youth Red Cross wing at BMSCCM fosters the development of socially conscious professionals by actively engaging students in diverse activities, ranging from road safety awareness to health and hygiene. These initiatives not only enhance the community but also provide students with valuable experiences.

ROVERS AND RANGERS

The Bharath Scouts and Guides Karnataka, comprising Rovers (Boys) and Rangers (Girls) aged 15 to 25, embody a voluntary, non-political movement founded on Lord Baden Powell's principles since 1907. With an inclusive ethos, it aims to nurture holistic development—physical, intellectual, emotional, social, and spiritual—in individuals, molding them into responsible citizens locally and globally. Operating under the motto "SERVICE," the Rovers and Rangers offer programs aligned with the varied needs, ambitions, and aptitudes of young people. This progressive approach builds knowledge, skills, and attitudes, empowering participants to apply them effectively in both personal and community contexts.
